2019 SCHOOLS Program

Schools Program / Friday 5 April

The Newcastle Writers Festival Schools Program is a wonderful opportunity for students to engage with their favourite authors and be inspired in a fun, educational and interactive way.

For the second year, all author presentations are free though registration is still required.

In these popular sessions, writers perform from their work, talk about their craft and take questions from students.

The workshop series offers students a more intensive, individual learning experience.

Once again we are thrilled to be taking the program to Cessnock on 4 April thanks to the support of Cessnock City Council and the Copyright Agency Cultural Fund.

Special thanks to our sponsors:
